Overcoming Shock: Healing the Traumatized Mind and Heart ...

Overcoming Shock: Healing the Traumatized Mind and Heart. When people experience trauma, they can be both damaged and shocked. While trauma is recorded in us psychologically, shock is recorded physiologically. This is why we can have both emotional and physical responses long after a traumatic event.

Overcoming Shock: Healing the Traumatized Mind and Heart ...

Overcoming Shock explores the effects of shock on our lives, including its profound impact on miscommunication, abuse in relationships, tenacious addictions, depression, mental illness, and even spiritual seeking. Here are proven tools for successful treatment and real-life examples of people who have overcome the debilitating patterns caused by shock and trauma.

Overcoming Shock: Healing the Traumatized Mind and Heart

Diane Zimberoff and David Hartman are a husband and wife team of psychotherapists with over 30 years experience in helping people heal the shock and trauma in their lives. They are also the authors of the best-selling book: *Overcoming Shock: Healing the Traumatized Mind and Heart*.

Overcoming Shock: Healing the Traumatized Mind and Heart

OVERCOMING SHOCK . In *Overcoming Shock*, Zimberoff and Hartman pool their decades of therapeutic experience to differentiate shock from trauma, trace the many ways shock reorganizes our psychic systems, survey the many kinds of experiences which generate shock, and provide a pragmatic approach to the relief of shock. The authors digest a wealth of physiological and psychological information in clear, easy-to-comprehend prose which serves therapist, victim, and family member well.

Review of *Overcoming Shock (9780882824802)* — Foreword Reviews

Their eye-opening book, *Overcoming Shock: Healing the Traumatized Mind and Heart*, explains that while going into shock can help individuals regroup after a crisis, it can also lead them to shut down emotionally, physically, and spiritually over time. Through a unique combination of psychodynamic theory, regressive hypnotherapy, and intensive group work, Zimberoff and Hartman have helped many clients resolve their shock responses and go on to lead happier lives.
